(Odložená aukce z 18. října 2020)

V minulosti jsme odpovídali mnohokrát nespokojeným limitentům na jejich dotazy, proč jim nebyla zaslána zásilka s vydraženou položkou, když zveřejněná částka byla shodná s jejich limitem. Většina dražitelů ví, že je vždy zvýhodněn sál, při shodě s limitem. Proto jsme před zahájením této aukce uzavřeli tuto dohodu s účastníky sálu: Při **shodě sál-limit**, byla k dosažené částce připočítána nepatrná částka, která jasně sděluje limitentům, u které položky byla shoda sálu a limitu. K dosaženým částkám do 1000 Kč + 2 Kč, do 10000 Kč + 10 Kč, nad 10000 + 20 Kč.
